

Archaeology in the Lake District 2018

Saturday 10 November 2018

A day conference to be held at Rheged, near Penrith

The Lake District National Park Authority arranges the Lake District Annual Archaeology Conference to showcase the research that takes place within this rich cultural landscape, which was inscribed as a World Heritage Site in July 2017. This year the conference will provide an opportunity to learn about recent projects carried out by universities, organisations and those undertaken in partnership with local communities and volunteers within the National Park.

The Copt Howe Boulders, Langdale Valley

Rock Art, Copt Howe Boulders, Langdale Valley
