

**Rusland Horizons Trust Ltd Countryside Ranger Role (up to 12 days to be delivered over the next three months)**

**Job Purpose:**

A countryside ranger, reporting to a trustee of the board to deliver a number of practical conservation days with volunteers.

Activities likely include:

1. Woodland conservation work (e.g. coppicing, planting etc.)
2. Wildflower seed propagation
3. Hedgerow planting and dry-stone walling

**Key Skills and Attributes:**

- Practical experience of countryside/rural skills and ability to lead work parties and knowledge of outdoor health, safety and environmental compliance
- Diploma/NVQ3 or higher in countryside or environmental conservation or demonstrable experience to show equivalent knowledge and skills
- Self-manager able to operate with limited day-to-day oversight
- Experience of working with volunteers would be an advantage
- Outdoor first aid qualifications would be an advantage (but training can be provided)
- Chainsaw certificate would be an advantage

**Employment Basis:**

Self-employed contract basis
